

THE TECH

VOL. XXVI. No. 76

BOSTON, MASS., WEDNESDAY, APRIL 24, 1907

PRICE THREE CENTS

RELAY TEAM LEAVES FRIDAY.

Institute to be Represented by Fast Team Against Amherst and Wesleyan.

For the first time since 1896 Technology will be represented by a quarter-mile relay team at the Pennsylvania relay carnival next Saturday. The team is composed of probably the strongest bunch of quarter-milers Tech ever got together, and will certainly make the opposing teams hustle.

At present it seems that only Amherst and Wesleyan will oppose Tech, as Brown will not send a team because the members of their team are deficient in their work. Wesleyan is the dark horse, as nothing at all definite is known of their team's ability. Amherst has a good team, but Tech's team is very confident of beating both.

The Institute team will make a remarkable quartet as all are big, strong, raw-boned, and experienced sprinters.

Besides the relay team, Capt. K. W. Richards will compete in the 100-yard dash at the carnival. In this event he will run against the fastest sprinters in the college world.

To Manager Tobin is due the credit of taking the team to the games. Already in debt, and with no possibility of coming out anything better than even at the end of the season, the athletic council could not afford to send a team on this trip. Tobin evolved a scheme of raising money by subscription for this purpose. He got out and hustled and with the assistance of Asst. Manager Keeney and the generosity of some of the fellows, he had the proper amount in two days.

During the next three days, Coach Mahan will be busy rounding the men into tip-top shape.

The team will leave from the Back Bay station late Friday afternoon. They will go to New York by way of the Fall River line, and then to Philadelphia, arriving there early Saturday morning. Manager Tobin, Coach Mahan, and a few students and alumni will accompany the team.

TRIAL IN THE TWO MILE TOMORROW.

There will be a try out at the Field Thursday afternoon at 4.15 P.M. for the second man to go to Maine in the two mile run. Udale will not have to run but all the others may try and the winner will go to Orono.

This arrangement is due to the unsatisfactory finish in the two mile last Saturday, when Udale finished at least a hundred yards ahead of the few who ran. He probably had matters his way so much on account of MacGregor's illness, which kept the latter from even attending the meet. The place will probably go to MacGregor if he is in any kind of condition, though Callaway and Ellis will doubtless make him run the limit.

FACULTY NOTICE.

First Year.—United States History on Wednesday at 9 o'clock will be in 6 Lowell instead of Huntington Hall.

THE JUNIOR PROM.

Final Arrangements Completed. Poor Support by Student Body.

The Junior Prom, much looked forward to and long anticipated, will take place to-morrow night. The affair, always the most brilliant social event of the year at the Institute, promises this time to eclipse all its predecessors. The committee, composed of McGuigan, Gerrish, Glover, Putnam, Rapelye, and Webb, have been working on the arrangements for it all winter, and their work is now completed.

The invitations which came out some time ago were unique and original in the extreme. The dance orders were distributed Monday and they have elicited many comments of admiration. They are of variegated sheepskin, with the Tech seal on the outside. On the inside of the cover is a tasteful design of the letter T and the class numerals. Thirty dances besides extras have been provided for, supper being served after the eighteenth.

The committee has encountered, one disappointment in the lack of support from the Institute. This support has fallen short of what they anticipated in laying their financial plans. Up to the present time only two hundred and thirty have signified their intention of attending the Prom, but it is earnestly hoped that many will decide at the last minute to come and not miss the one opportunity of the year to enjoy something "totally different" from our regular routine. The matrons are: Mrs. William Barton Rogers, Mrs. Samuel Jason Mixter, Mrs. Francis Lee Higginson, Mrs. Andrew Gray Weeks, Mrs. Robert Amory.

TECHNIQUE RUSH THURSDAY.

At 12.15 Thursday a final gun shot will announce the opening of the annual *Technique* rush. The preliminary guns will be fired at 12.10 and 12.14½. The usual time has been changed to 12.15 in order to allow men who have lectures until 12 to attire themselves for the occasion. One hundred copies of *Technique* '08 will be issued at a booth in the rear of the Art Museum. Given, Adams, Brooks, and Loomis of the Staff will be on hand to meet all comers. The first twenty copies will be numbered in gold and will have President Pritchett's signature on the fly leaf. As a further inducement the first five men will have the cost of their copies refunded to them. Intercollegiate athletic rules will not be in force, but it is necessary that each man shall have his ticket ready. Only one hundred copies will be sold on Thursday, and these will all be sold at the booth.

Immediately following the *Technique* Rush the prizes offered for the best work submitted to the board will be awarded from the booth outside the Art Museum. Heretofore these prizes have been given out later in the term, and great credit is due the management for their promptitude this year. The awards are as follows:

For the best class history, \$5 or three books each, Senior, K. G.

(Continued on Page 4)

BASEBALL TEAMS WIN.

1910 Defeats Malden 6 to 3.—1909 Plays Only Five Innings.

1909 beat Ballou and Hobigand second team by a score of 17-0 in a very slow five inning game Tuesday. The opponents had only eight men during the entire game and 1909 started the game with seven men but finished with a full team. The line-ups were:

1909	B. & H.
Applin, p.	P., Vatcher
Wentworth, c.	c., Boyd
Glancy, 1b.	1b., Benson
Kelley, 2b.	2b., Nichols
Ware, 3b.	3b., Chapman
Daws, r.f.	r.f., Smith
Pierce, l.f.	l.f., Dunbar
Perry, s.s.	s.s., Quinn
Gray, c.f.	

1910 defeated Malden High in a close game at Malden yesterday by the score of 6 to 3. The score was very close until the sixth inning, when Malden went up in the air, and let in three runs. 1910 doubled their tally in the ninth inning, but Malden was able to bring in two runs at the last minute. Billings and Loutit did good work for the Freshmen. The line-up follows:

1910.	MALDEN.
O'Hearn, c.	r.f., Clark
Billings, s.s.	c., McCormack
Loutit, r.f.	3b., Gale
French, 2b.	c.f., Ricker
Arkeil, l.f.	c.f., Ingalls
Harris, 3b.	l.f., Morey
Chase, c.f.	2b., Berthel
Maxey, c.f.	s.s., Doyle
Greene, 1b.	1b., MacInnis
Hurley, p.	p., Steele
	p., Ricker

SPRING CONCERT THIS EVENING.

All preparations are now complete for the Annual Spring Concert and Dance of the combined musical clubs. The affair will take place this evening at the New Century Building on Huntington Avenue. The concert will be held in Potter Hall, and the dance which follows it will be in Howe Hall in the same building. Poole's Orchestra will furnish the music for the dance.

The successful reception experienced so far this season by the Glee, Banjo, and Mandolin Clubs assures a performance of a high order tonight. The seat assignment began Monday morning in Rogers corridor and continued during the day. The demand for seats was large, and as almost everybody applied for two, the prospect of a largely feminine audience may be safely predicted. Last evening practically all the lower floor and a large part of the balcony had been disposed of.

The patronesses are Mrs. Peter Schwamb, Mrs. Frank H. Rand, and Mrs. Harrison W. Hayward.

The program is essentially the same as was given at the last concert in Newtonville, with the notable exception that the Stein Song most certainly will be included in the program to-night.

BASKETBALL TEAM ELECTS CAPTAIN.

P. M. Wentworth, '09, was elected captain of the Basketball Team for next year at a meeting of the team Monday. C. W. Whitmore, '08, was re-elected Manager.

CALENDAR.

WEDNESDAY, APRIL 24.

4.00 P.M. Baseball, 1910 vs. Boston Latin at the Field.
4.30 P.M. Architectural Society Reception in the Architectural Department.
8.00 P.M. Annual Spring Concert and Dance at the New Century Building.
4.00 P.M. Tech Show Cast Rehearsal at the Union.
12.00 P.M. Exercises of Institute suspended till Monday, April 29.
12.15 P.M. *Technique* Rush behind Museum of Fine Arts.
2.00 P.M. Tech Show at the Colonial Theatre.
5.30 P.M. Trials for second men in two-mile run at the Field.
8.00 P.M. Society of Arts Meeting in 22 Walker.
8.30 P.M. Prom at Hotel Somerset.

FRIDAY, APRIL 26.

8.34 A.M. Mechanical Engineering Society leaves Trinity Place Station for Worcester.
2.00 P.M. Tech Show at the Colonial Theatre.
6.00 P.M. Penn Relay Team leaves Trinity Place Station for Philadelphia.
8.00 P.M. Tech Show at Malden Auditorium.

SATURDAY, APRIL 27.

10.00 A.M. Baseball, THE TECH vs. *Technique* at the Field.
2.00 P.M. Baseball, 1908 v. Lowell Textile at Lowell.
2.00 P.M. Baseball, 1909 vs. Winthrop High at Winthrop.
2.30 P.M. Candidates for Freshman and Sophomore Cross Country Teams meet at the Field.
8.00 P.M. Tech Show at Providence.

NOTICES.

Prize Winners.—Spring Meet Prizes will be given out in Rogers Corridor, Wednesday at 1 P.M.

Junior Prom.—Today is the last chance to get dance orders at the Cage. All who wish to attend should get them at once.

Tech Show Seats.—All show tickets are now on sale at the Colonial Theatre. All Providence and Malden seats applied for must be obtained by this noon at 34 Rogers.

Society of Arts.—The 637th meeting of the Society of Arts will be held in 22 Walker, Thursday, at 8 P.M. Mr. Frank M. Gilley will address the Society on "Preparatory Trade Instruction in Holland, and the Instrument Makers' School in the University of Leiden." All interested in the subject are invited to attend. The lecture will be illustrated by lantern slides.

Technology Club.—On the tenth evening of the season of the Technology Club, Tuesday, April 30, at eight o'clock, Harris Kennedy, M. D., will give a talk on "Glimpses of Rural Japan," illustrated. Members are privileged to invite ladies to the talk and to dinner on that evening. The "common-room" being limited, admission for both members and guests must be by ticket. Members may receive tickets by sending to the Secretary applications, with stamped addressed envelopes, before April 27.

THE TECH

Published every Monday, Wednesday, and Friday during the college year (from September to June), by students of the Massachusetts Institute of Technology.

Entered as second-class matter October 6, 1904, at the post office at Boston, Mass., under the Act of Congress of March 3, 1879.

Single Copies 3 Cents.

In charge of this issue: L. H. KING, 1909.

Wednesday, April 24, 1907.

THE TECH takes pleasure in announcing the election to the Business Staff of R. S. Bicknell, 1910.

Tuxedos will be barred from the *Technique* rush tomorrow and drawing-room etiquette will be suspended for the occasion. Politeness will be out of place and any indication of humility or consideration for other people's feelings and persons will be frowned upon. The choice of clothes will be left to the good sense of the contestants. In the past, football suits have been first favorites, but overalls and pajamas are preferred by many. Spinoza will be among the spectators.

All who wish to spend \$2 upon court plaster instead of squandering it upon a *Technique* are invited to enter the melee at 12.15 tomorrow. A strong yet elastic covering, a *Technique* ticket, and a little nerve are the only essentials.

The senior law students at Minnesota have protested against wearing caps and gowns at graduation. This conventional attire, they say, is effeminate and not becoming to men. President Northrup of the University says that he does not disapprove of their action and that the only students who really get their money's worth out of the garments are the girls of the academic department. We are glad to have company even though it be fifteen hundred miles distant.

PROFESSOR SWAIN'S READING.

"Self Education in English" was the subject of the essay by George H. Palmer of Harvard read by Prof. Swain Monday afternoon. Prefacing it, Prof. Swain remarked on the general lack of cultivation among engineers, a cultivation which, if they possessed it, would

raise them to the place in the world that they should occupy. "An acquaintance with good literature of the past is productive of much good. Most important of all it cultivates the power of expression. It enables one to speak clearly and to write the language correctly."

Four rules were given to attain this end. "First, watch your speech; one always speaks many times more than he writes. One should aim in this line to secure accuracy and range. Second, welcome every opportunity for writing. While speech gives good expression, writing enables us to unite our expressions in a consistent whole. Third, consider the reader. Put yourself in his place, and remember that he must understand what you write. Last of all, lean upon your subject. Write and practice continually; persevere, and success will finally crown your efforts."

OUTSIDE RECREATION NEEDED.

At the Electrical Engineering Society at the Union Monday evening, Frederick P. Fish, of the Institute Corporation and President of the American Telephone and Telegraph Company gave an interesting address in which he urged upon those soon to graduate the necessity of outside recreation. Mr. Fish showed that while this could be done readily without interfering with one's work, it greatly increased a man's efficiency during working hours. Eighty members were present.

SIX SOUTHERNERS FORM CLUB.

But six Southerners appeared at the meeting Monday for the purpose of forming a Southern Club. E. Johnson, '08, and H. Cross, '08, were appointed a committee to make arrangements for a more successful meeting in Rogers on Tuesday, April 30, at 4.30 o'clock.

NEW PLAN FOR Y. M. C. A.

A new course has been entered upon this year by the Tech Y. M. C. A. In the election of Lester W. Brock, '07, as graduating secretary Tech takes a stand with the Colleges and Universities foremost in the Y. M. C. A. work.

Until a little more than a year ago, the office of secretary of the Y. M. C. A. was held by a volunteer from the city association or from the student body. With the election to this position of Mr. Gates in 1905, the Y. M. C. A. became the first student organization to engage a salaried officer. This was a long step forward in the work at the Institute.

Another important move has been made in Mr. Brock's election. This places at the head of the work a man who has been connected with the association here for four years. He knows the men and the conditions. Mr. Brock was one of Tech's representatives last year at the great national conference of college Y. M. C. A. and Y. W. C. A. workers at Nashville, Tenn. where he was inspired with a desire to help in this great movement. He will also attend the Northfield conference for Eastern College Associations. In undertaking this work, Mr. Brock has the advantage of being able to devote his entire attention to the Technology association. He will strive to guide the association to where it will be self supporting, the end which Mr. Gates, the retiring secretary has always had in view.

In Mr. Gates the association

loses a good organizer and a tireless worker, and now with a Tech man at its head, the Technology Y. M. C. A. wishes him all success in the larger work into which he is entering.

SHOW RECEIPTS SATISFACTORY.

The receipts of the Tech Show so far this year have been extremely satisfactory, and all now looks as if the entire Show will be fully as good as the famous "Simon Pure Brass." The exceptional despatch and smoothness with which things have been done this year have added greatly to the comfort of all men on the management, and have helped to make this year's Show what it is. Those who have witnessed rehearsals have been high in their praise of the author, the coach, and the management.

ANNUAL EXHIBITION AT THE GYM.

The third annual gymnastic exhibition was held last evening at the Gym. One of the most interesting events was the presentation of the Cabot medals to John Tobin, '08, Frederick Jaeger, '09, John Tresnon, '07, P. P. Greenwood, '07, and L. Tuckerman, '06, for physical development and general gymnastic efficiency. Boxing matches between Schneider and Higgins, and Starkweather and Allen added to the interest. The other events were principally gymnastic, such as tumbling, club swinging, and excellent work on the high horizontal bar.
